Payment Instructions for crypto subscriptions

Crypto Subscriptions will only be accepted with the approval of the Directors in consultation with the Investment Manager, and with the consent of the Administrator. Crypto Subscriptions will not be accepted if there is any concern that such subscription might be in breach of applicable anti-money laundering laws and “know-your client” regulations. Only Approved Cryptocurrencies will be accepted. The Directors reserve the right to add or remove any Cryptocurrency on any blockchain network as an Approved Cryptocurrency for accepting any new subscriptions in consultation with the Investment Manager, and with the consent of the Administrator without prior notice or consent of the Shareholders.

Subscribers wishing to make a Crypto Subscription should contact the Directors and the Administrator for approval in advance.

The subscriber will be required to demonstrate ownership and control of the account or wallet used for providing the Approved Cryptocurrencies in accordance with the instructions of the Administrator and should transfer an amount of Approved Cryptocurrencies to the wallet address that equals the subscription amount payable for the Participating Shares being subscribed for by the applicable Subscription Deadline, being (a) in the case of a subscription during the Initial Offer Period, 4:00 p.m. (UTC+8) on a Business Day that is at least three (3) Business Days prior to the close of the Initial Offer Period, and (b) in the case of a subscription after the Initial Offer Period, 4:00 p.m. (UTC+8) on a Business Day that is at least three (3) Business Days prior to the relevant Subscription Day or such other time and day as the Directors may determine, either generally or in any particular case.

Any Approved Cryptocurrencies contributed to the Fund (including the portion thereof for payment of the Subscription Fee, where applicable) will be converted into US Dollars at the rate of exchange available to the Fund, the Investment Manager and/or the Administrator at any time on or prior to the relevant Subscription Day. Each subscriber who makes a Crypto Subscription will be required to give its consent and instruction to the Directors, the Fund, the Investment Manager and the Administrator in the Subscription Agreement for the conversion of Approved Cryptocurrencies contributed by such subscriber to the Fund into US Dollars on its behalf at any time prior to the relevant Subscription Day. The amount resulting from such conversion in US Dollars (after taking into account any fiscal, transfer, registration or other charges, fees or duties associated with the vesting of the Approved Cryptocurrencies received and conversion of the Approved Cryptocurrencies into US Dollars, and exclusive of any Subscription Fee) will be recorded by the Fund as the subscription amount received by the Fund. The arrangements described above are intended to manage any foreign exchange risk between the Approved Cryptocurrencies contributed to the Fund (or in the case of a Stablecoin, any de-pegging risk) against the US Dollars, the operational currency of the Class A Shares and the base currency of the Fund, pending the relevant Valuation Day/ Subscription Day. No Crypto Subscriptions will be accepted unless the Directors are satisfied that the terms thereof do not materially prejudice the existing Shareholders.

If an application with Crypto Subscription is rejected by the Directors in whole or in part in their absolute discretion, the balance of the amount paid by the subscriber will be returned (without interest) in the Approved Cryptocurrency in which the Crypto Subscription for the relevant Participating Shares being subscribed was initially made. If the Approved Cryptocurrencies have already been converted into US Dollars by the Fund, the Investment Manager and/or the Administrator prior to rejection of the application, the Fund, the Investment Manager and/or Administrator shall deduct such sum (if any) as it considers represents an appropriate provision for the conversion of the US Dollars into Approved Cryptocurrencies.

For the avoidance of doubt, other than Crypto Subscriptions, no non-cash consideration will be accepted for the subscription of any Class of Participating Shares unless with the consent of the Directors.

- (b) the Subscriber will provide, as soon as practicable, such information regarding the Subscriber and its Beneficial Owners (as such term is defined below) and such forms or documentation as may be requested from time to time by the Fund or any of its agents or delegates to enable the Fund to avoid or reduce any withholding under AEOI (or any other applicable law) and to comply with the requirements and obligations imposed on it pursuant to AEOI (or any other withholding or information reporting laws), including, without limitation, such forms and documentation which the Fund may require to determine whether or not the relevant investment is a "U.S. Reportable Account" (or equivalent under any other AEOI regime) and to comply with the relevant due diligence procedures in making such determination. 3.4 If the Subscriber provides information or documentation that is in any way misleading or inaccurate or if the Subscriber fails to provide information or documentation as may be requested from time to time, (whether or not such action or inaction leads to compliance failures by the Fund, or a risk of the Fund or its investors being subject to withholding tax or other penalties), the Fund or the Administrator may take any action and/or pursue any remedies available to the Fund or the Administrator including, without limitation, compulsory redemption of the Subscriber's Participating Shares and may deduct from any redemption proceeds in respect of the Participating Shares so redeemed, any liabilities, costs, expenses or taxes arising (directly or indirectly) from such action or inaction.
